Kindergarten

Term 1      Week 4

What’s happening this week?
This week in Kindy we will begin looking at the cycle of new life with our caterpillars and butterflies. Our focus will be on how new life begins as an egg. Over the next few weeks we will eagerly watch as our eggs become caterpillars and then butterflies.

We will be reading the book ‘The Very Hungry Caterpillar’ and learning about authors and how sentences are made up of words. We will also link in our counting and days of the week as we read this book.

The importance of straight lines from left to right (“sideways, sideways to the magic land”) will be a focus as we develop our pre-writing and reading skills. We will continue to strengthen our little hands with lots of fine motor activities and we will be learning how to hold our scissors correctly to make small snips in paper.

Important Information
SPOTS testing this week.
News will begin in week 5.
Information will be sent home this week.
We would love any old egg cartons, ice-cream containers or old scoops you may have!

Meeting our buddies and dancing with the Chinese dragon.
Puppet play with ‘Five Little Monkeys’ and creating rhythm with tapping sticks.
