What's happening this week?

This week in Kindy we will be looking at the text 'Caterpillar’s Shoes' and talking about sharing and giving to others, an important focus during Lent.

We will be learning about Jesus and beginning to talk about how special His life was by retelling Bible stories.

We will continue to look at the sounds that make up our names, as well as breaking sentences down into words. Our Numeracy focus this week is number recognition from 1-5 with students being extended as required.

Creating straight lines from left to right is still a big focus, helping us develop essential pre-reading and writing skills. We will continue to work on our balancing and jumping skills.

Many of the activities we have in Kindy are designed to strengthen our little hands and get them ready for writing. You will see a lot of busy hands cutting, beading, threading, rolling, squeezing, tapping, gripping, tearing and peeling.
