St Pius X School History

St Pius X Catholic Primary School was founded in 1957 by the Sisters of St Joseph of the Sacred Heart (fondly known as the Brown Joeys).

When the School opened in February 1957 there were 76 students. Sister Casimir and Sister Angela were the first Sisters to teach at the school. In the first year it catered for Grades 1 to 4; over the next three years this grew to Grade 7. Boys were enrolled to Grade 3 (later Grade 4) after which they moved onto Aquinas. The Sisters travelled by taxi from South Perth and the expenses were met by Father Carmody. In 1964 a small bus was purchased to ferry the Sisters and the cost was shared by Holy Cross, Kensington, Holy Family, Como and St Pius X. The Sisters of St Joseph travelled daily to the three schools. A wonderful spirit existed between these schools and shared many events together.

Until 1964 when the present Church was built, Mass was celebrated in the school each Sunday. Rosters were drawn up for men to shift desks out on to the verandas, the folding doors between the three classrooms were opened and chairs were placed in specially marked rows.

Lay teachers started at St Pius X in 1969, prior to that all the staff were Sisters. The parishioners cleaned the school, cared for the gardens and did all the maintenance. The P & F Association was formed in 1963-64 and they worked tirelessly to raise funds for the school.

Father Thomas Ahern was the first Parish Priest of St Pius X and he was followed by Father Patrick Carmody who arrived in 1958 and continued until his passing in 1981. He was the longest serving priest at our Parish and we have named one of our Houses after him. During his time he worked very hard in establishing the school, building extra classrooms as required and looking after the Sisters. Father McGrath followed Fr Carmody and he was instrumental in the school purchasing the house next to the school in 1988 where the oval now sits.

Brendan Spillane became our first Lay Principal in 1995.

The Sisters of St Joseph of the Sacred Heart have had a continuous presence at our School since 1957. We are blessed to currently still have Sister Maureen Hodge working in our school library – she has been here since 1988.
St Pius X Catholic Primary School Vision

“Learn to Love and Love to Learn”

At St Pius X Catholic Primary School, the values lived by Jesus Christ are the foundation for everything we do.

Our School Motto - **Faith and Friendship** - inspires us to celebrate our faith in the spirit of service to others. Relationships of mutual respect, support and trust exist between students, parents and staff. We commit ourselves to our school actively and generously.

Our learning environments are challenging and contemporary. We encourage personal excellence with authentic ways of defining and recognising success. Students learn the value and skills of effective collaboration. Within a genuinely pastoral environment, the wellbeing of all students is monitored and enhanced.

As a community, we SEARCH for ways to provide the best educational opportunities and resources for our students. Our decision-making processes keep our students at the forefront. At St Pius X we work with courage and compassion.

As a place of joy, we take time to celebrate life together.

St Pius X is a community of hope. We believe in the future of our children.

---

**School Prayer**

We the members of St Pius X family, ask you Lord to strengthen and guide us as we strive each day to grow closer to you.

Help us to live by our Patron’s motto: “To restore all things in Christ, so that Christ may be in all that we do” and “To love God and lead good Christian lives”.

Through Faith and Friendship help us to respect each other.
Bless everyone in our school community.
Amen
St Pius X Values - Each person is created in the image of and called to communion with God.

SERVICE
In all things I have shown you that by working hard in this way we must help the weak and remember the words of the Lord Jesus, how he himself said, ‘it is more blessed to give than to receive.’ (Acts 20:35)
With Jesus as our guide we are called to be of service to others, inspiring and enriching our school and community.

EXCELLENCE
But as you excel in everything—in faith, in speech, in knowledge, in all earnestness, and in our love for you—see that you excel in this act of grace also. (2 Corinthians 8:7)
With Jesus as our guide we use our gifts and talents to strive for excellence in all that we do.

AUTHENTICITY
For I have not spoken on my own authority, but the Father who sent me has himself given me a commandment—what to say and what to speak. (John 12:49)
With Jesus as our guide we are strengthened to act with integrity and live genuinely.

RELATIONSHIP
For where two or three are gathered in my name, there am I among them. (Matthew 18:20)
With Jesus as our guide we foster a sense of community and belonging, inspired by Christian love and compassion.

COURAGE
I can do all things through him who strengthens me. (Philippians 4:13)
With Jesus as our guide we stand up for our beliefs by meeting life’s challenges, persevering in the face of adversity, with strength of heart.

HOPE
May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope. (Romans 15:13)
With Jesus as our guide we share a spirit of optimism and joy sustained by faith.
**Principal’s Message**

St Pius X Catholic School caters for girls and boys from Pre-Kindergarten through to Year 6, in a unique environment which offers opportunities for each child to develop emotionally, spiritually, socially, physically and cognitively. This is achieved by providing and coordinating educational activities through a whole school approach that develops an awareness and understanding of concepts necessary for life and educational experience within the Catholic faith.

We strive to develop each child’s full potential by recognising their individual giftedness as part of God’s creation. Learning is facilitated through a developmental approach that promotes cooperative and inquiry based learning, which are strengthened by the use of up to date technology. We provide a relevant, comprehensive and varied curriculum to suit a wide range of student needs, interests and abilities. All of these processes can only assist each child, to be the best that they can be.

At St Pius X, we believe that each child is a precious gift from God, created as an individual with special gifts, talents and abilities. We encourage parents to enter into partnership with the school and pray that together we will support the children to grow and develop into the people Jesus intended them to be. We are very proud of the harmonious relationship shared by our diverse cultures and celebrate our Gospel values through "Faith and Friendship".

St Pius X is a strong community that works together as one with parents, students, teachers and the parish to foster an environment that can enable us all to reach our fullest potential.

The relationship between the parents, child and school is an important one, and when combined together produce an effective partnership. We look forward to developing this partnership with you.

New Admissions

Enrolment Application Forms are available from the School Office or our website. Applications need to be completed and returned to the office together with a copy of the Birth Certificate and Baptism Certificate if the child is baptised. Enrolment interviews are carried out in Term 2 two years before the child is due to commence Kindy. New admissions for children in PP – Year 6 occur when vacancies arise. A $50 enrolment application fee is to be forwarded with the application form. Application fees are not refundable.

Enrolment Policy

Rationale
Catholic Schools exist to further the Mission of the Church. In Western Australia, the Mandate of the Bishops requires the Catholic Education Commission of Western Australia to make Catholic school education available to all Catholic children, as far as resources allow. Parents are the prime educators of their children and the role of the school is one of support.

The following priorities are given to enrolment applications:

1. Catholic students from the parish with a Parish Priest reference.
2. Catholic students from outside the parish with a Parish Priest reference.
3. Other Catholic students.
4. Siblings of non-Catholic students.
5. Non-Catholic students from other Christian denominations.
6. Other non-Catholic students.

Following consultation with the Director, the Principal may vary the above priorities to suit particular local circumstances prevailing at the time.

Parents must provide a completed Parish Priest Reference.

Before an offer of a place is made prospective students and their parent(s) / guardian(s) shall be interviewed by the Principal or a member of the Leadership Team.

The Catholic/non-Catholic Enrolment percentage parameters approved by the Bishops of Western Australia is referred to when enrolling students.
Before offering enrolment to students requiring specific educational needs:

1. The Principal shall ascertain whether the student has any special educational needs which will require differential resourcing if schooling is to achieve educational outcomes appropriate to the student’s learning needs.

2. Where the student has a disabling condition, disorder or significant health care needs, the Principal shall consult with the Students with Disabilities Team at Catholic Education WA to ensure that the school has the capacity to make adequate provision for the student’s specific educational needs. If the Principal determines that the school, after appropriate consultation as in 10.1 and 10.2 above, does not have the resources to respond to the student’s educational needs, then the parent(s) or guardian(s) may be referred to one of the Students with Disabilities Centres located in certain Catholic Schools.

The acceptance of an application form does not guarantee an enrolment interview or offer of enrolment.

If you are successful in your application for a position, you will be sent a letter offering you a place. A deposit of $150 is asked of new families to the school to confirm your acceptance. This is a non-refundable fee that will be deducted from your first term fees.

Children are not supervised prior to 8.30am as the school is not open and are discouraged from arriving at school before this time. Teachers finish their duty at 3.25pm.

Between 8.30am-8.45am is preparation time for all students.

**Pre-Primary**

Monday to Friday 8.45am-3.05pm
(Doors open at 8.30am and at 3.00pm)

**Kindergarten**

Tuesday, Wednesday and Thursday 8.50am-2.55pm

**Pre-Kindergarten**

Monday 8:50am – 2:55pm
Children in Pre-primary and Kindergarten and Pre-Kindergarten need to be delivered to and picked up from the door by an authorised adult.

Parents and students are reminded that the two pickup points are Cloister Ave (near play equipment) and Ley St entrance. Students must not wait to be collected by parents anywhere else in the school.

Parents are advised that the double gates on Cloister Ave and Ley St entrances will be padlocked after 9am each day and opened at 2.50pm. Parents and visitors to the school are asked to use the single gate at Administration on Cloister Ave between 9am-2.50pm.

Children at school after 3.30pm for afterschool activities are the responsibility of the parents. Parents permitting their children to participate in these activities need to do so with this in mind.

**Signing In/Out/Visitors**

The following procedure for Signing In and Signing Out will apply at St Pius X School. This will be in effect each day from 9am –3.05pm.

**Late Arrivals**
If a child is running late for school the *parent* must call into the office to sign the Register and a **Blue Card** will be given to you to take to the class teacher. Children are NOT to be dropped off at the gate and make their own way to class if they are late. If you do this we will have to contact you to come back to sign the Register.

**Leaving/Returning to School**
If you are collecting your child during the day for appointments or personal reasons you must call into the office to sign the Register and an **Orange Card** will be given to you to take to the class/specialist teacher.

If you are returning during the day you again need to sign in and collect a **Blue Card** to take to the class/specialist teacher.

**Collection of Students**
If you are requiring someone other than yourself to collect your child during the day, we must have this in writing. Kindy and Pre-Primary have a book, where parents currently indicate and sign granting permission to nominated persons for collection, all other grades please ensure we have something in writing/email.

Kindy and Pre-Primary students - the teachers should be advised at drop off if someone other than yourself is collecting your child. Please try to avoid phoning in with change of pickups during the day as often teachers do not get a chance to access their emails during the day and will not see the message that has been sent to them from the office.
It is very important to follow the above procedure in keeping with the school’s legal requirements and the safety of all concerned. We can’t stress enough, the importance of ensuring your child's school attendance, where reasonable, is punctual, to avoid rigmarole and any inconvenience to you.

**Visitors**

Any visitors to our site at any time must sign in and get a Visitor’s Badge. While we understand that people are just ‘popping in’ it is critically important that parents and friends do so.

Staff will be directed to ask parents to return to the office and collect these cards before collecting their child. This will take time to get used to so please allow sufficient time to do so.

**Parking**

For safety reasons, parents are requested not to park in the driveways, nor drive into the school grounds. Rangers do frequent the school and issue infringements for incorrect parking.

**Curriculum**

Religious Education is taught for thirty minutes each day and is based on units set by the Archdiocese of Perth. There is regular contact with the Parish Priest and special children’s liturgies are celebrated throughout the school year.

The Curriculum Framework has been implemented into the school and the Learning Areas have been developed along these lines with the focus on child centred learning.

There are a number of specialist teachers in the school to support the classroom teacher in the following:

- Physical Education
- Music Teacher
- Italian Teacher
- Library Assistant
- Language Support
- Gifted and Talented
- Science

Instrumental Music Lessons are options carried out by private companies external to the school. These lessons are not included in the school fees.

Children are encouraged to participate in a range of sports and there are many opportunities to participate in interschool sport throughout the year.
All classrooms have access to the Internet and computers. There is also a bank of computers in the library for the children to use. The Library is fully automated and uses the Athena Library Software Package.

**Gifted and Talented Program**

At St. Pius X, we celebrate the diversity and achievements of all students and encourage them to discover and perform at their potential in every domain. Exceptionally able students are supported through an approach that recognises learner needs and provides depth and complexity through stimulating, flexible, differentiated learning environments.

A ‘Gifted and Talented’ program is currently being run at the school. Small groups of students from Years 3-6 participate in weekly sessions. These sessions are designed to challenge our gifted students and to develop their creativity and higher-order thinking skills. Students are selected for the program through specialised gifted and talented testing, in combination with input from classroom teachers.

**One-to-One iPad Program**

In 2013 we implemented a One-to-One iPad Program for students in Years 4-6. A bank of iPads is used for K-3. Technology is an ever involving tool for students to learn from and is treated as such at St Pius X. Information regarding this program can be obtained from the office.

**Assessment Schedule**

St Pius X has a comprehensive Assessment Schedule that outlines the whole year of informal and formal assessments. This schedule can be found on our website or speak to the class teacher for further information.

**Sacramental Program**

Children are prepared for each of the following Sacraments through their daily Religious Education lessons. There is an eight-week preparation leading into the Sacraments. There is, however, the need for parents to be active in their support for their children as they prepare for each of the Sacraments. Parents may be required to attend information evenings, enrolment ceremonies, organisational meetings and student / parent workshops for each of the sacraments.

**Reconciliation** is prepared when the children are in Year 3 (Term One);
**Eucharist** is prepared in Year 4 (Term Three) and
**Confirmation** in Year 6 (Term Two).
Catholic Parish of Manning

Our school is an integral part of the Parish and both groups work closely together to enhance the Spiritual life of the community.

St Pius X Uniform Policy
The parents and staff at St Pius X School expect a high standard of dress to be maintained by all children.

Our uniform is a sign of our School Community and all are expected to support the Uniform/Grooming Policy.

Wearing correct uniform encourages a sense of pride in self and school and provides consistency and equality for all students. Parents are asked to vigilantly ensure that uniform and grooming requirements are adhered to, as
many valuable teaching hours can be lost during the year ensuring the 
children follow these requirements. 
Notes will be sent home for breaches of Uniform Policy. All children are 
expected to wear the correct school and sport uniform on the appropriate 
days. There should be no mixing of the regulation uniform and sports uniform. 
On excursions and attendance at out-of-school functions where students 
represent the school regular uniform will be worn. 

Parents and children are asked to adhere to school uniform expectations 
when purchasing items. This prevents added expense of re-purchase or 
children and staff needing to address breaches of uniform expectations. The 
school uniform shop is extremely well equipped with both new and sound 
quality secondhand items and uniform items must be purchased from the 
shop. Shoes are the only items not sold through the uniform shop and are 
readily obtained from many outlets. 

Exceptions to school uniform rules 
1. If a product or item has been brought into the uniform there will be a phase 
in and phase out period e.g. new tracksuits – an allowance of two years will 
be given to allow students to outgrow their current uniform and replace with 
a new style one. For items $15 and under a phase in period of one year will 
be given e.g. new sport socks. 
2. At the start of Term Two and Term Four there will be a two weeks only transition period for students to change over uniforms if the weather is 
暖/cool.

Excursions

Full school uniform appropriate to the season should be worn on all school excursions to maintain a good image for our school. Should the nature of the excursion require the wearing of the sport uniform, this will be specified at the time.

House / Faction

All children in the school are placed into one of the four factions. Children of the same family are placed together in the same faction. The factions have been named after figures significant to the life of the school.

SARTO – named after Bishop Joseph Sarto who later became Pope Pius X. GOLD would be the attributed colour with the Vatican flag being Yellow and White. Symbol to be a gold chalice signifying Bishop Sarto’s unwavering commitment and dedication to the Sacrament of Holy Communion.

MacKILLOP – named after St Mary MacKillop of the Cross, first Australian Saint and founder of the Josephite schools, of which St Pius X is one. BLUE would be the attributed colour in keeping with the sacredness of Australia’s first Saint and blue colours significance being one of heavenly love. Symbol to be a blue Latin cross of which Mary always carried with her.

JOSEPHITE – named after the Josephite Sisters as a whole organisation. The Sisters were responsible for beginning our school and many others throughout Australia. RED colour to be the attributed one which symbolises the commitment and love they fostered. Symbol to be a red Josephite emblem with the A and M intertwined (which stands for Ave Maria) with the three ‘J’ s attached recognising Joseph, Jesus and John the Baptist as the important people in the Josephite community.

CARMODY – named after Father Patrick Carmody, St Pius X Parish Priest who served in this role from 1957 until his passing in 1981; an amazing 24 years. With the school beginning in February 1957 and
Father Carmody beginning in his role in June 1957, the school developed greatly under his direction. **GREEN** to be the colour attributed, recognising the fact that Fr Carmody came to Australia from Ireland (Tralee in County Kerry) in 1937; the year of his ordination. Symbol to be a green shamrock, recognising his Irish ancestry.

**School Board**

St Pius X School is under the financial management of the Manning Catholic School Board. Members of the School Board are elected from the school/parish at the Annual School Community Meeting held each November. The Constitution is available on our website.

**Parents and Friends’ Association**

The P & F have meetings in the school library on Tuesday evenings on dates determined at the commencement of the school year. All parents of children attending the school are encouraged to attend these meetings.

The P & F is largely responsible for the fund-raising and social activities of the school. The P & F is also responsible for the operation of the Uniform Shop.

**School Canteen**

The canteen is operated by Lunch Box Express and is open on Thursday and Friday. The Menu varies weekly and Order Forms are sent home for parents to place their orders in advance.

**Absences and Illness**

Parents must inform the school/class teachers prior to the child being absent if it involves a previously arranged appointment. If parents have forgotten to do so they must inform the school via the office before 9.30am on the day—this can be done by emailing admin@stpiusx.wa.edu.au

Teachers will call the attendance role each day and if they do not have an explanation for absence or lateness they will inform the office and the office will then contact parents to confirm the reason for the student’s absence.

If your child is absent for half a day or more an Absentee Note must be completed and given to the class teachers on the child’s return. These are available from our website or the school office. It is important that we establish this routine immediately and continue to maintain it each day whilst at school. It has always been important for children to arrive to school on time but even more so now.
Medical

If children are unwell they should not be sent to school. If a child becomes ill during school hours and is unable to continue at school, parents are contacted to collect their child. Please ensure that contact information is always up to date to alleviate difficulties.

Staff are not authorised to administer medication to students and should not be asked to do so. Where possible, medication should be administered by parents outside of school hours. If this is not possible the School Principal should be contacted and a Medical Authorisation Form needs to be completed.

When an accident occurs, parents will be contacted immediately. In cases of extreme emergency an ambulance will be called when parents or the emergency contact are unavailable. (Any associated costs would be the responsibility of the parents).

Allergies

St Pius X is an Allergy Aware School and parents are encouraged NOT to send products containing nuts with their children to school. We also discourage other items that may cause reactions of which are communicated to parents.

Emergency Information

It is vital that all details on the Enrolment Form are kept up to date. If at any time your address, phone number, work number or emergency contact number is changed, please notify the office and class teacher immediately.

Student Mobile Phones

If for any reason your child must have a mobile phone at school you are asked to write to the Principal stating reasons and request permission. If permission is granted the mobile phone will be given to the teacher at the start of the day and collected at the end of each teaching day. At no time will mobile phones be permitted outside this.
Permission Notes

At the commencement of the school year, students will be given a Permission Note which needs to be signed by parents. These are simply giving general permission to attend the normal range of extra-curricular activities. You will always be notified of particular excursions in advance by the class teacher. These will require a separate permission note.

Social Worker

The Social Worker will visit the school one day per week during term time, currently on a Tuesday. This role involves:

- Working with classes and teachers.
- Providing individual sessions for students. Referral is generally by the Teacher or School.
- Assisting Parents of the school community.

School Psychologist

A School Psychologist is available to assist students, teachers, parents and the school community to solve a range of educational and psychological problems. The Non-Government Schools' Psychology service is managed by Catholic Education WA on behalf of all Non-Government Schools. Referrals are via the Teacher and then supported by Principal.

Conflict Resolution

We would like parents to use the school's procedure for dealing with any issues that arise between children. For obvious reasons, parents are asked not to confront other parents or their children regarding problems that have occurred in school. Minor problems that could be sorted out quickly can easily be blown out of proportion by such an approach. Please see the class teacher or the Principal if there are ongoing concerns. Please refer to the school website for Incident Protocol under Policy section.

Out of School Care

Curtin OSHC provide a service before and after school. Please contact them direct on 0424 713110 or curtin-oshc@readysetgrow.net.au
Tennis Lessons

Tennis lessons are provided by Marshall’s Tennis Academy and fees should be paid directly to the instructor. These lessons are available to children in Years 3-6 and take place before school.

Dogs

We ask that parents or relatives don’t bring dogs to school events or onto the school grounds. If you are walking to or from school please keep the dog away from the entrance, so children especially, can get out through the gates.

School Website

Please visit our school website at www.stpiusx.wa.edu.au for all the latest events, school policies, term calendar, class activities and photos.

Dealing With Class/Playground Incidents
Involving Your Child and the Class Teacher or Other Student/s.

We encourage at all times that the first person of contact for your child when an incident at school takes place is that your child speaks to his/her teacher to report the incident or seek clarification of any misunderstandings.

In the event an incident takes place with your child and has not been reported to, or resolved by the teacher the following recommended Incident Protocol should be followed.

INCIDENT PROTOCOL

1. Make an appointment with the classroom teacher.
2. If you are not happy with the outcome of the meeting with the teacher, notify the teacher and make an appointment to see the Principal.
3. In the absence of the Principal make an appointment to see the Assistant Principals.

When your child relays the incident to you I would recommend that you consider the following:

- Listen carefully to what your child is telling you. Ask questions for clarification purposes.
- Try very hard to remain calm and objective. Do not make negative comments about the other party.
- Determine whether this adverse situation can be a learning experience for your child. Can they work this problem out for themselves?
- If necessary explain to your child that you will make an appointment to speak to the teacher so that you can obtain their point of view on the incident.
- Do not call other parents to see what their child knows about the incident – this causes a great deal of confusion and is breaking confidentiality.
- Make an appointment through the correct channels – through the office or via a sealed note to the teacher involved.
- Avoid approaching the teacher first thing in the morning and expecting an appointment on the spot.
- We are here to help so try to stay calm and avoid approaching the teacher on the defensive.
- Most situations are better dealt with after some ‘cooling off time.’
- Be prepared to listen to the teacher and be open to discuss the situation- there is always two sides to a story.
- If you are not satisfied with the outcome of the meeting with the teacher, let the teacher know that you are taking the matter to the Leadership Team or the Principal.
- Always respect the dignity of all parties involved and DO NOT DISCUSS THE MATTER IN THE GENERAL SCHOOL COMMUNITY.
- All matters concerning all individuals are of a confidential nature and should remain so under all circumstances.
- Teacher Assistants must only be consulted with the presence and recommendation of the teacher.
- At all times remember that you are in partnership with the school and most decisions are made with the best intentions and interest of your child.
Use of Photos

Please see below the Standard Collection Notice regarding the use of children’s photos. If you do not want your child/ren to feature in such publicity, please complete the form below and return it to the School Office as soon as possible.

STANDARD COLLECTION NOTICE
Publicity and the Use of Student Images

As part of the school’s publicity activities there may, on occasion, arise the situation whereby the school, Catholic Education of Western Australia (CEWA) or local media will need to take photographs and/or video footage of your child/ren for publication in newspapers, school documents, CEWA and Catholic agency documents (Caritas, CDF, LifeLink, etc), training videos and/or the school/CEOWA website.

I have discussed this with my child/ren and he/she has agreed to have his/her photos on the school website and related media as mentioned above.
