

MACKILLOP CLUB UPDATE

19/09/17

CHESS TOURNAMENT

This week, our MacKillop Club students competed in our annual Chess Tournament. As always, this was a hotly contested competition, with all students displaying outstanding sportsmanship and chess strategy.

At the business end of the tournament, the last two players standing were Xavier Pike and Eva Petkovic, with Xavier proving to be too strong in the Grand Final. Congratulations Xavier!

The students now look forward to taking on players from St. Benedict's in Applecross and Our Lady of Fatima in Palmyra in the Interschool Chess Tournament next term.
