

Curriculum Overview- Term 3

Religion

- Prayer: This unit explores how God's family learn and pray together. People learn to love, respect and live good lives through their families.
- Reconciliation: This unit explores explores choices. People make choices every day. Some choices are easy and some are more difficult to make. The choices people make can be loving or they can be the opposite and not show love. Your child will recognise and give examples of choices that show love.
