

Curriculum Overview- Term 4

Religion

- Baptism: This unit explores how people belong to God's family, the Church, and become part of God's family when they are baptised. Your child will explore the Sacrament of Baptism and identify the people who gather to celebrate the sacrament.
- Advent: This unit explores the time of preparing during Advent and the celebrations of Christmas time. Just as families prepare for the birth of a new baby, Catholics remember Mary, the Mother of Jesus during Advent. Your child will learn about Mary's example and memorise the Hail Mary.

English
