

Cyber Safety with Mr.P

Have you recently purchased a device and want to set it up safely so that your children can use it without any problems?

Code9parent.com.au provides parents with an online platform to support and manage their children using social media and online gaming platforms. By becoming a Code9 Parent, you will learn how to keep your children safe while keeping up to date with the latest digital trends and applications that our children are bombarded with on a day to day basis. Navigation around the website is easy with a range of current trends and topics easy to find.
