

# Student Code of Conduct

The students at St Pius X have collaborated to identify how they wish to feel in our school community: **Accepted, Safe and Engaged**. Together the students have identified behaviours that will foster the school environment they desire.

## Accepted

At St Pius X we want feel accepted.

In order for everyone to feel accepted, we all need to:

- Greet each other by name and smile at one another
- Look at our peers when they are speaking
- Listen to and acknowledge each other's ideas
- Be willing to negotiate and compromise
- Respect and celebrate the different cultures in our school
- Invite people to play with us if they look lonely
- Let others join in our games

## Safe

At St Pius X we want to feel safe.

In order for everyone to feel safe, we all need to:

- Follow our school rules
- Be kind to each other
- Tell a teacher if someone isn't doing the right thing
- Use school equipment safely and respectfully
- Listen to teachers and follow their instructions
- Inform a teacher if something on the school grounds is dangerous

## Engaged

At St Pius X we want to feel engaged.

In order for everyone to feel engaged, we all need to:

- Behave appropriately
- Try our best in all activities
- Ask for feedback
- Listen to and act on our teachers feedback
- Challenge ourselves
- Ask the teacher for help if you don't understand how to do something
- Share our interests with our teachers
